

In this week's newsletter: In my ears, From my bookshelf, My new website and more

Hey Friends,

Here are 5 things I thought were worth sharing this week:

1. From my Book Shelf: *"It's okay honey, you can let it all out...I know you've been hurt, and I know that you're angry and confused. So, go ahead and let it out. It does the soul good to let the waters run once in a while - the healing waters."* ~Papa *The Shack* by Wm. Paul Young The [book](#) and/or the [movie](#) always, I mean always, bring healing tears to my eyes. So grateful for this theological work on the personhood of God.

2. What I'm listening to: [Mandoline Orange](#). Super sweet southern alternative bluegrass. Especially love the songs, [Wildfire](#), [Hey Stranger](#) and [Take this Heart of Gold](#).

3. One of the best messages I've heard in years. "[Your Greatness Equals God's Glory](#)" Grant Lewis. [The Harbour Church](#), Sunday July 21st, 2019.

4. What I'm reading now: [Beautiful Outlaw](#) by [John Eldredge](#). [The Godfather](#) by Mario Puzzo. I guess I'm feeling a gangsta theme lately.

5. I want to invite you to check out my new website [marktwhitten.com](#) (don't forget the "t") and especially a few of my recent post, namely [Leaving Muletown, No](#). and [Jesus Shaves](#). Would love to hear from you, so drop me an email mark@marktwhitten.com

Thanks for reading. If you like this newsletter, and want to support it, forward it to someone who's like it. If you're seeing it for the first time, you can [subscribe here!](#)
